

Isaan style restaurant dishes

You might find this useful to print this out (colour is best), maybe take it with you it might help when ordering, as sometimes it is very difficult for Thai's to understand what you want when you cannot speak the language.

A common type of restaurant found are Isaan-style Thai cuisines and these things such as delicious sticky rice, papaya salad, sliced grilled and marinated pork neck, pork liver salad, pork soft bone in an Isaan soup, grilled chicken, Isaan sour sausages, fresh raw vegetables and more. The first set of pictures are these, the remainder are other classic dishes found everywhere.
